

3/27/20

Hi everyone. Well we are almost to the weekend and I hope that you all are doing well. Our online classes have been going well and I am learning more and more tech tricks every day. It is so great to see all the dancers. This is such a great way for them to continue their dance training during this time. So many have said that their child looks so forward to taking the classes and seeing all their dance friends and teachers. I hope in a time where there is so much going on we can give them hope and just dance out some of their stress and anxiety.

I do have some great news to pass on that some of you have already discovered. As promised we now have on line payments in your dance portal. This is a safe and secure site through my software program that I use in the studio. You can even check your account and see the payment credited to your account. Please take a moment to go into your portal and look around. Below is a screen shot to show where you can see the online payment section.

**Kiptom Dance Center** Home Account ▾ More ▾ Log Out

Please review all the emails that were sent out on 3/22/20. This will assist through our transition into online classes. Praying this is a short term solution. Stay strong and remember we are stronger when we are all united. Love and miss you all.

Ms. Dawn
